YOUR ADVICE

Find a helping hand

We understand that university life can be challenging sometimes. Like a true friend, we're not just here for the good times, we're also here for when times get tough.

HEALTH AND WELLBEING

We run a series of campaigns throughout the year designed to raise awareness of issues students like you might face at university and highlight the support available.

INFORMATION AND ADVICE SERVICE (IAS)

Our Information and Advice Service offers free, confidential advice on everything from housing to mental health. You can book an appointment with an advisor or access downloadable advice guides at trentstudents.org/advice
